TO OUR CUSTOMERS

We exercise the utmost care to have our stock true to name and will, upon proper proof, make adjustment for such claim, but nowise greater than the original amount paid for such item, nor do we assume any warranty as to productiveness after transplanting.

Orders are accepted subject to prior sales, crop conditions, injury to nursery stock due to fire, floods, hail, and strikes.

Terms are cash with order or satisfactory reference if you have no established credit with us. Prices are F. O. B. Elkhart, and plants dug for each order are expertly packed, and the express company alone is responsible for loss or damage in transit. Deduct 2% for cash with order. To those with established credit, 2% 10 days, 30 days net.

We do not substitute without permission. 25 plants of a variety at 100 rate, 250 at 1000 rate. 1000 rate eight times 100 rate.

We accept contracts to grow rooted cuttings and potted plants for mailing.
